## Az High School Bass Nation Report

The 1<sup>st</sup> High School tournament of the school year will be Sunday (10-3-21) @ Bartlett Lake. As of now we have enough help. The second tournament will be Sunday (11-21-21) @ Roosevelt Lake. We are still waiting for the AZBN to complete their 2022 schedule so we can complete the balance of our 2021-2022 High School schedule. There will be no Grade School division this school year, the Phx Junior Bassmasters group has decided not to participate this school year. We will however be sending our Grade School State Champions to Tennessee in October for the Jr's National Championship.

Thanks, Mike Hoffarth / Director
